EMI InnOffice Application (hereinafter: "the Application") provides indoor navigation in the EMI office. This Privacy Policy describes how personal information is collected, used, and shared when you install or use the Application.

### Personal Information the Application Collects

We do not access, store, or share any types of personal data. The Application is provided free of charge.

Data not related to data subjects are merely used in order to provide the Service and to operate the Application. Additionally, we use this personal information to optimize or improve the Application.

In relation to your download of the Application, merely the operator of the application store may process your personal data, in accordance with its own privacy policy – in relation to which the Publisher has no liability.

### Information on Data Subject Rights

In general, personal data shall be confidential and it shall be ensured that data subjects may exercise their rights:

- To request access to the personal data held.
- To request rectification of the personal data held, however, the data subject shall warrant that they are true and accurate.
- To request erasure of the personal data to the extent that they are no longer necessary for the purpose for which processed, or when it is no longer legally permitted to process them.
- To request cancellation or limitation of the processing of the personal data.

If you have given us your consent to process your personal data for any purpose, you also have the right to withdraw such consent at any time.

Finally, we inform you that you have the right to file a claim before the responsible data protection regulatory authority ([www.naih.hu](http://www.naih.hu)) or initiate a lawsuit at the competent court.

We may update this Privacy Policy from time to time in order to reflect, for example, changes to our practices or for other operational, legal or regulatory reasons by update the relevant section of the application store. Please, read the check the section from time to time to see any updates.

For more information about our privacy practices, if you have questions, or if you would like to make a complaint, please contact us at the above availability.

Effective date: 08. July 2019
